

TOWN OF BRIDGE CREEK SANDMINE BLASTING NOTICE:

Email dated Friday, March 3, 2017 from Hi-Crush Augusta Facility, Dick Reesman, Env. Compliance Supervisor. Mr. Reesman stated that he was notifying the Town of Bridge Creek and Eau Claire County that both the Wet Plant and Dry Plant will be operating again this year at the Augusta facility. The first blast is tentatively scheduled for Thursday, March 9th and the Wet Plant will begin washing sand shortly thereafter.
